To Whom It May Concern

I had the pleasure of working with Sean McDowell on our feature DVD projects for Playmobil and a feature like TV series "Mia and Me", co-produced by an international team of partners. I found him to be a goal orientated animator with a high degree of attention to details and artistic quality. He always stayed on top of the work he had at hand, and he was great at helping out other artists and doing work above what was asked of him. He is friendly, easy to work with and is quick at learning a new pipeline and tools.

I hope to work with him again and would recommend him strongly.

If you have any questions about Sean's work at March Entertainment, please don't hesitate to contact me.
